

Commonground

César Yagüe

'Commonground' is the 9<sup>th</sup> visual album created by César Yagüe in 2023. It consists of 22 seamlessly cyclical artworks created in 8K resolution. The entire album is silent and the artist, as he always does, invites us to connect with the energy of Silence through contemplation. This visual journey is along a common ground that every human being, to one degree or another, walks. The unconscious ceases to exercise its power and becomes Consciousness, Wisdom and Beauty.

This jungle is wild poetry stained with dark compulsive thinking. Our collective ego collapses while mine throws itself about in the darkness, as U2's Bono says, where we learn to see.

The divine light illuminates my wound and shows it to me. I'm losing my mind, too much bloody skin and bones, too much pain to handle now. Yesterday I wasn't even aware of it, but today I do know we're healing slowly and flying higher.

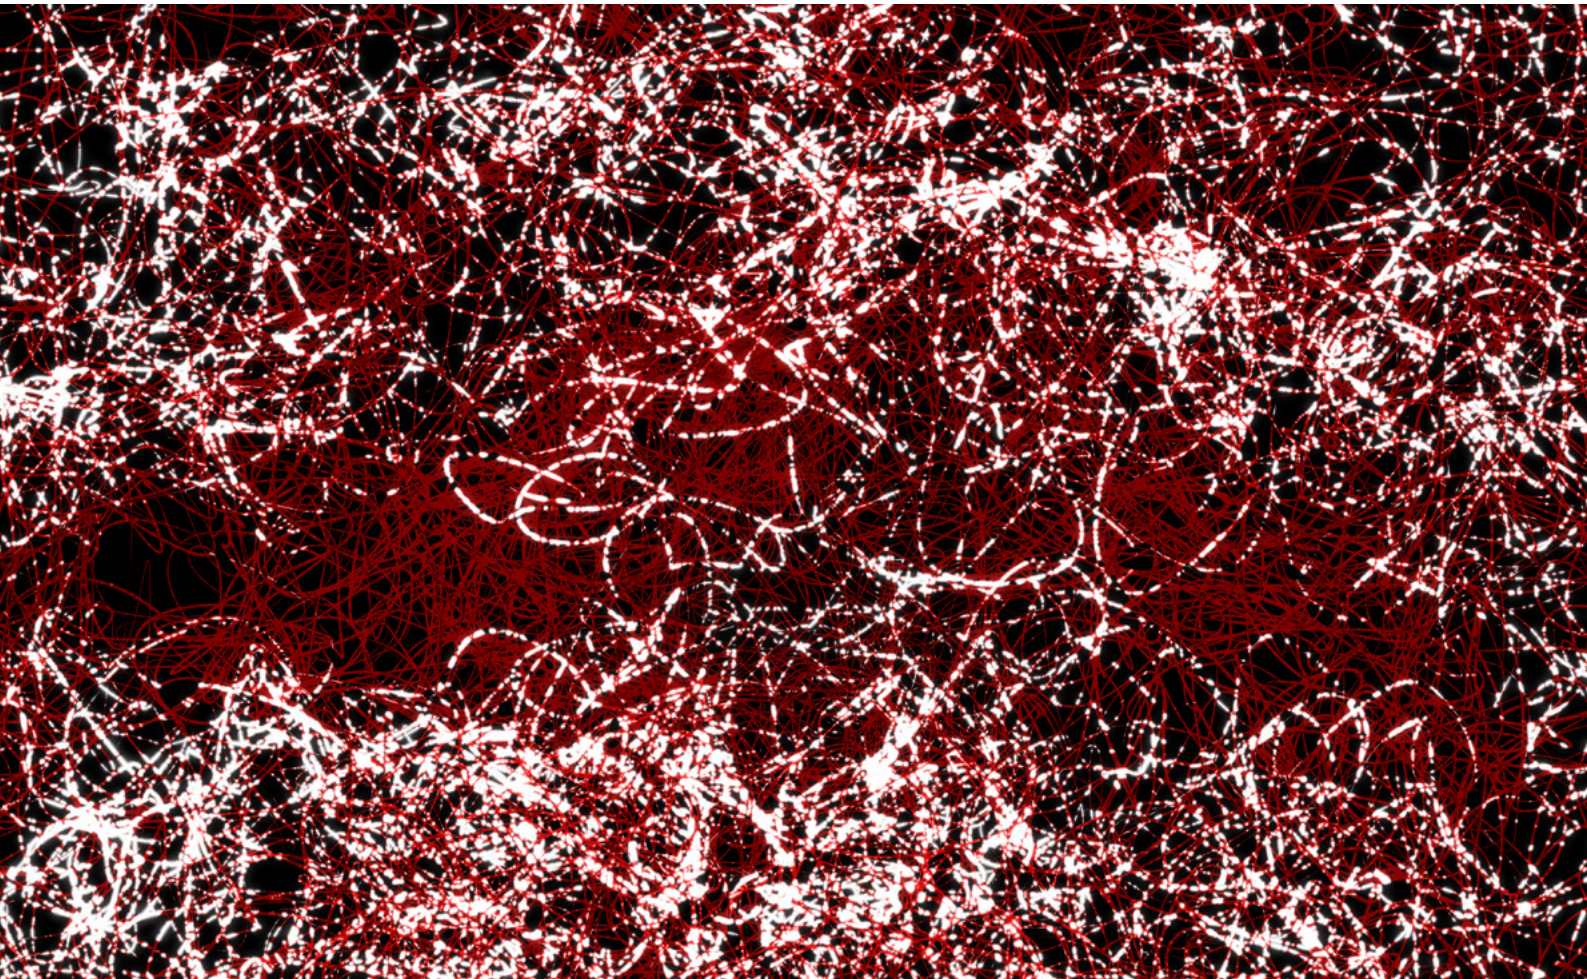

## **Luz En La Herida**

Resolution: 8K 4320 x 7680 px.

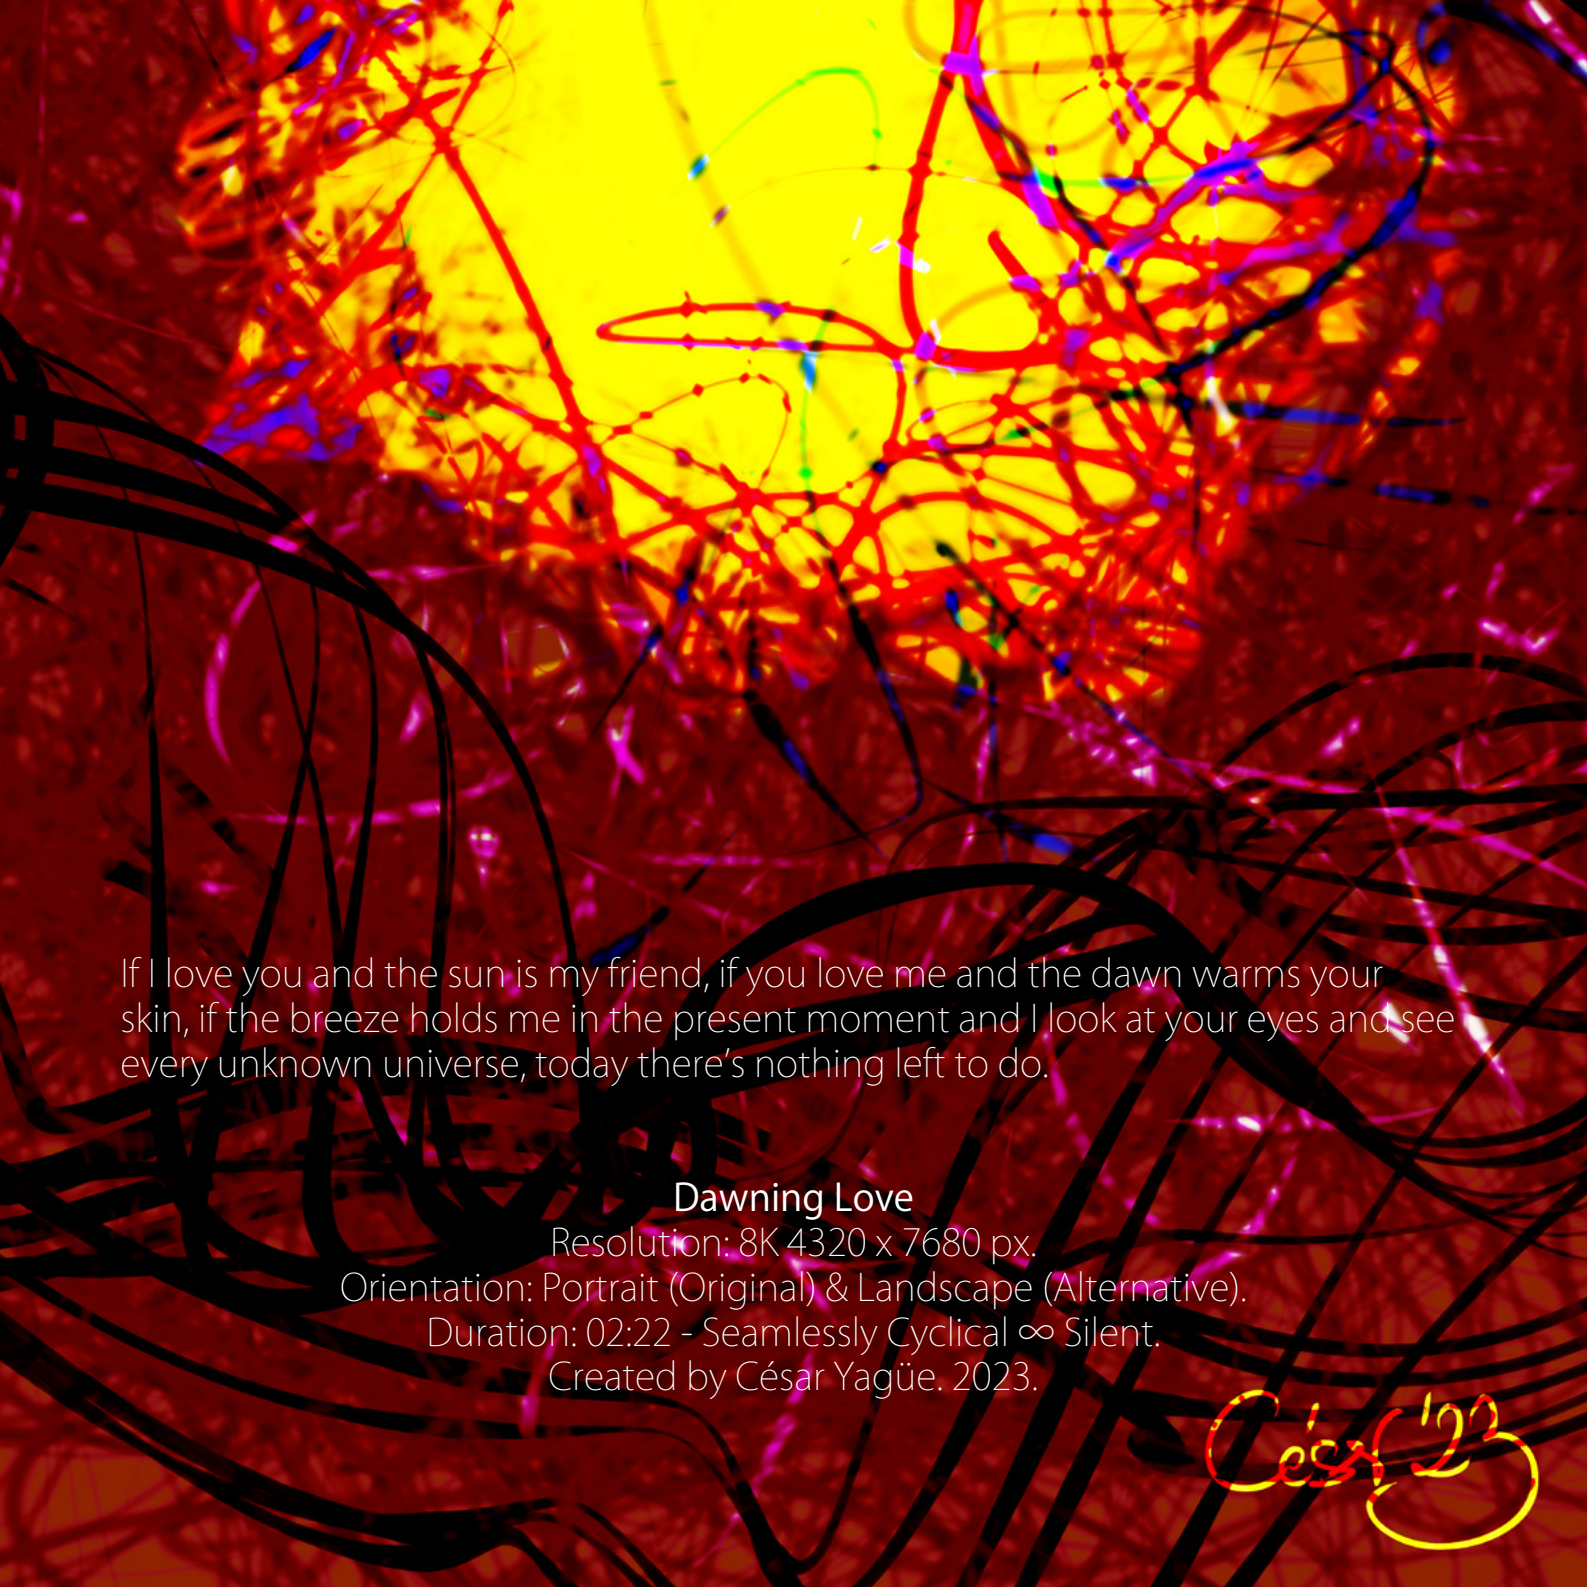

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 01:39 - Seamlessly Cyclical  $\infty$  Silent.

If I love you and the sun is my friend, if you love me and the dawn warms your skin, if the breeze holds me in the present moment and I look at your eyes and see every unknown universe, today there's nothing left to do.

### Dawning Love

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 02:22 - Seamlessly Cyclical ∞ Silent.

I look at you but I don't see myself. I look at all of them and I only see strangers, madness, fear. If I close my eyes I do see my own reflection in you, in all of you, and I understand that we are beautifully different but the same.

## El Espejo

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 01:00 - Seamlessly Cyclical ∞ Silent.

Created by César Yagüe. 2023.

Thank you Maker. I found her, I found You, I found myself.

### Holy Flowers

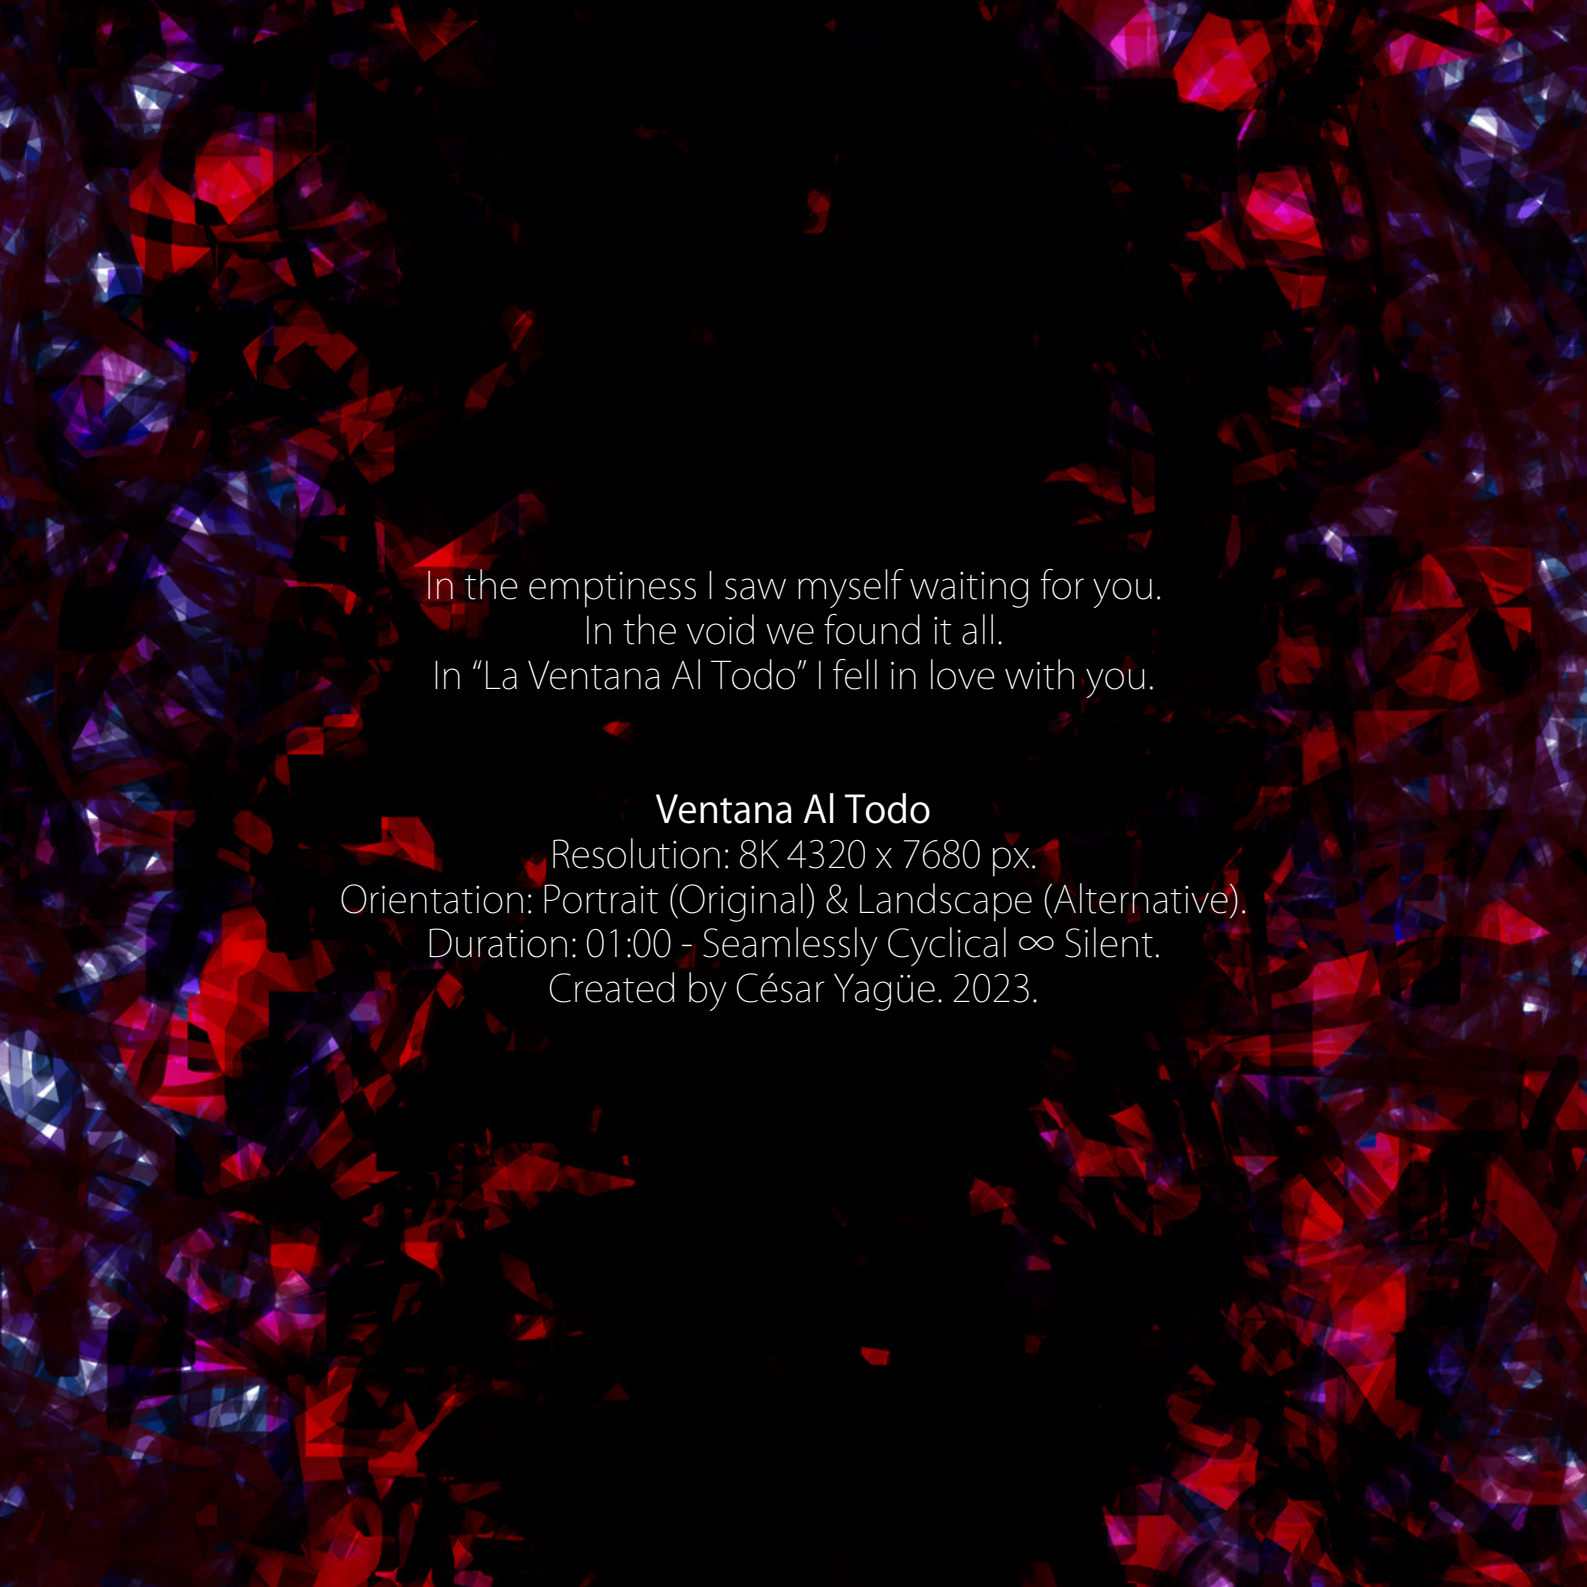

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 00:25 - Seamlessly Cyclical  $\infty$  Silent.

Created by César Yagüe. 2023.

In the emptiness I saw myself waiting for you.  
In the void we found it all.  
In "La Ventana Al Todo" I fell in love with you.

### **Ventana Al Todo**

Resolution: 8K 4320 x 7680 px.  
Orientation: Portrait (Original) & Landscape (Alternative).  
Duration: 01:00 - Seamlessly Cyclical  $\infty$  Silent.

We weep for what could have been, but never was. And I put the blame on all of you. And I scream, and you cry, and we fight against the tide. I listen to people wailing, but a fifth dimensional mermaid shows me the Beauty of the Silence in the depths.

## Wailing Chaos

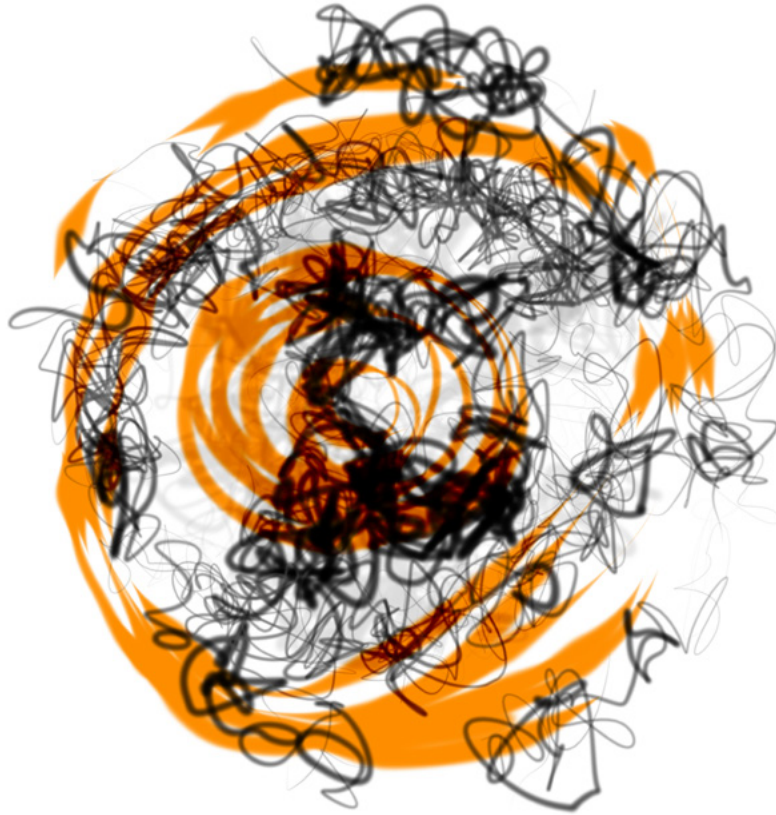

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 01:30 - Seamlessly Cyclical  $\infty$  Silent.

Created by César Yagüe. 2022.

You've lost your mind? Or was it always lost? You taught me to see in the dark and I learnt to walk all the way to the light. Now that seems so far away, you get lost in your own optimistic fantasy, and every time you decide not to look inside, I see an unfocused chatterbox who lies to himself just to keep that mask of happiness on.

### **Unfocused Optimistic**

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 01:11 - Seamlessly Cyclical  $\infty$  Silent.

Created by César Yagüe. 2023.

Run, hurry up, you're late. You are not achieving my goals. Work harder, don't rest, don't doubt, do your best! You'll get your deserved happiness tomorrow, if you're still alive.

### **Yesterday Rush**

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 01:30 - Seamlessly Cyclical ∞ Silent.

Created by César Yagüe. 2023.

Shut up, don't tell anyone. This can't leave here. If you say any of this to anyone you will be kicked out of the clan, so for your own sake, shut the fuck up.

## **Unholy Clan**

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 00:25 - Seamlessly Cyclical ∞ Silent.

Created by César Yagüe. 2022.

The image features a large, abstract checkerboard pattern. The squares are defined by thick, irregular, and somewhat chaotic black and white borders. The background within these squares is a smooth gradient of warm colors, ranging from a deep orange at the bottom to a lighter, almost white at the top. The overall effect is one of a hand-drawn or hand-painted board game.

Play my game,  
play by my rules  
and understand that  
life is just a joyful game  
where you do what you please.

### **Maker's Checkerboard**

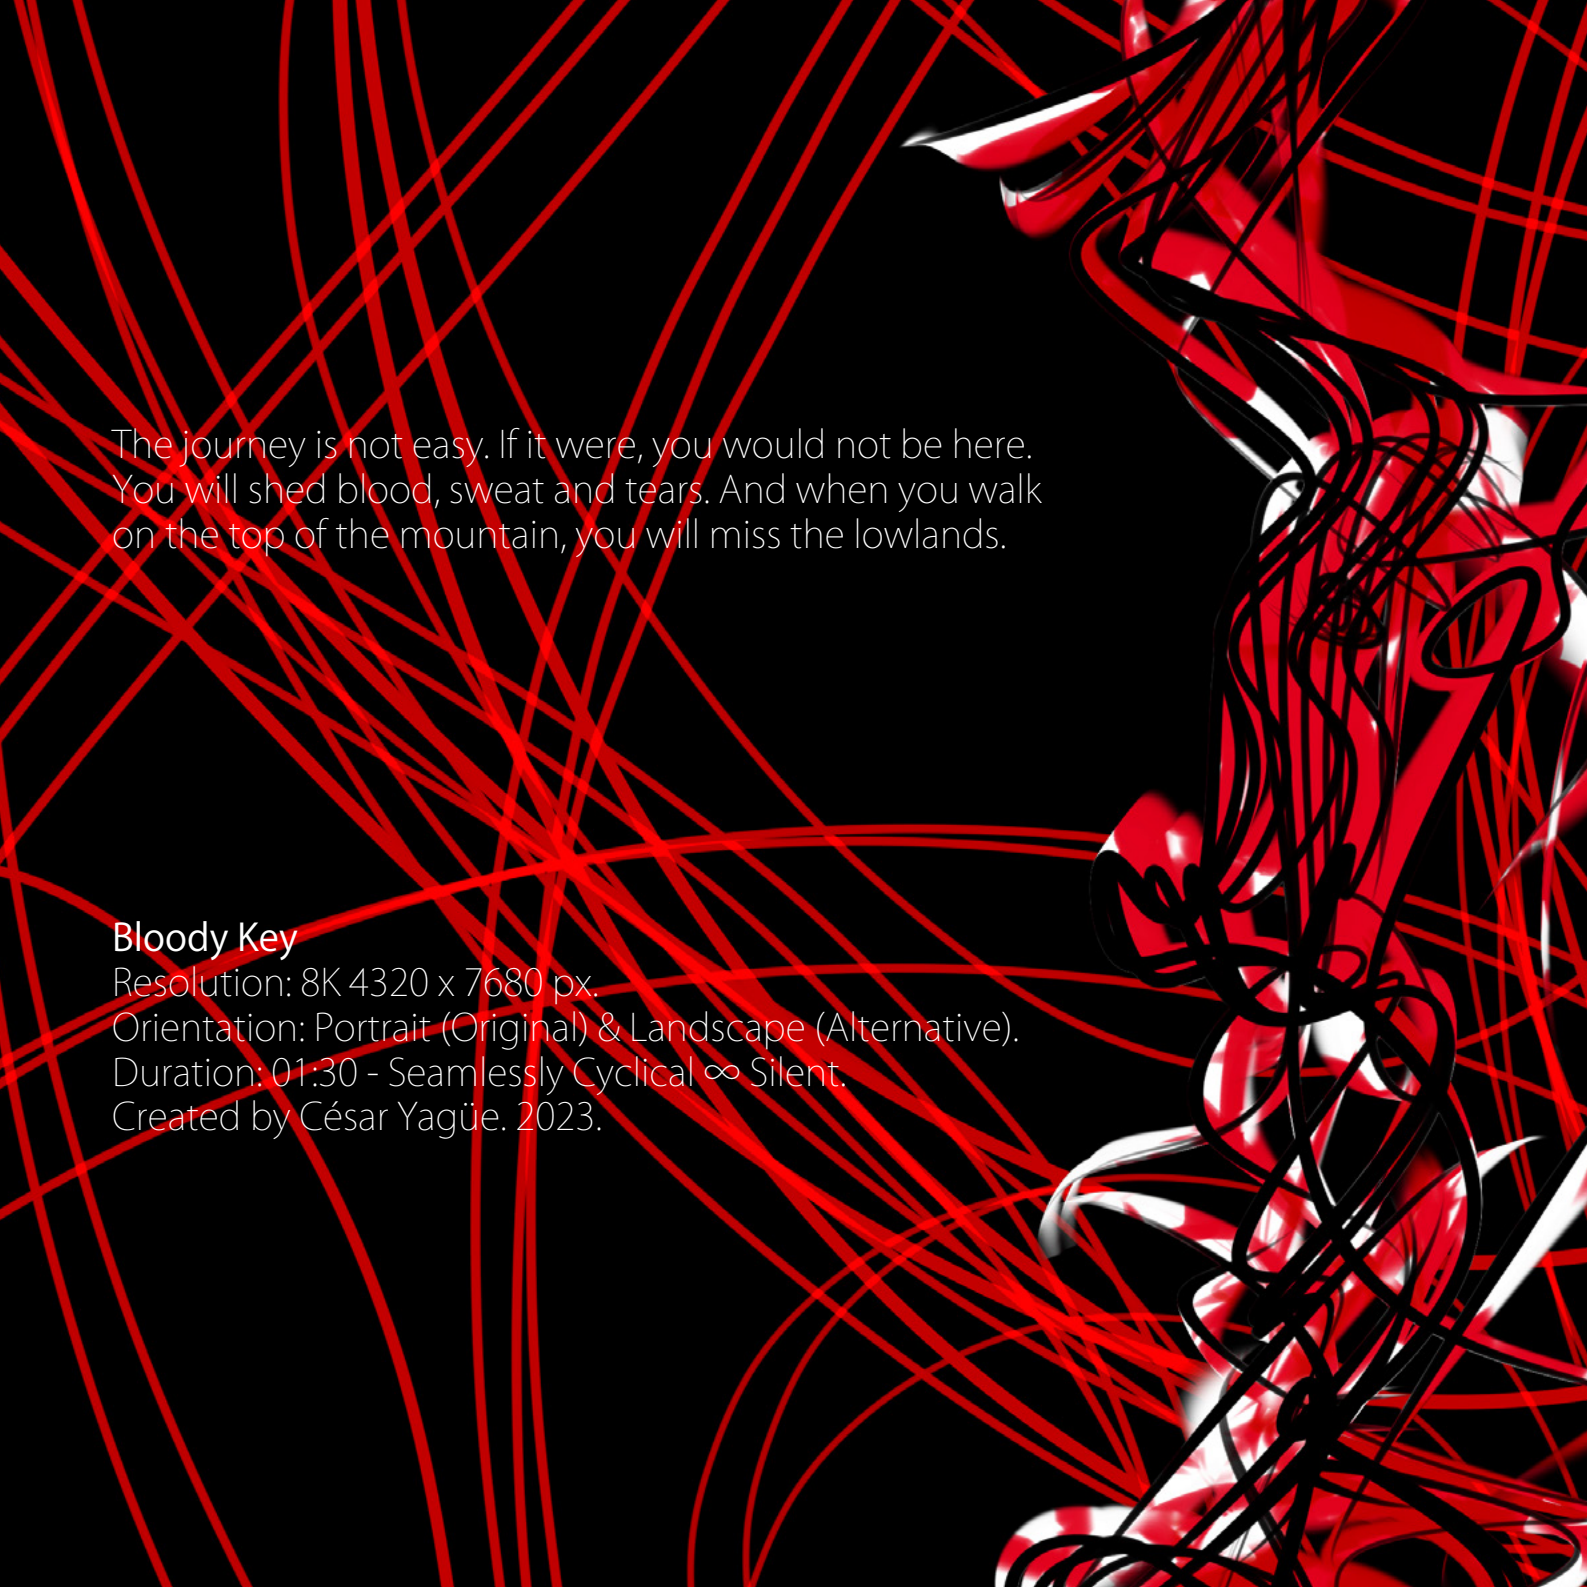

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 00:30 - Seamlessly Cyclical ∞ Silent.

Created by César Yagüe. 2022.

The background is a solid black field. It is overlaid with a dense, chaotic network of thin, bright red lines that crisscross the entire frame. On the right side, there is a thick, glossy, three-dimensional ribbon that spirals upwards. The ribbon has a red and white diagonal stripe pattern and a highly reflective surface that catches the light, creating bright highlights and deep shadows. The overall composition is abstract and dynamic, suggesting a sense of movement and complexity.

The journey is not easy. If it were, you would not be here.  
You will shed blood, sweat and tears. And when you walk  
on the top of the mountain, you will miss the lowlands.

## **Bloody Key**

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 01:30 - Seamlessly Cyclical ∞ Silent.

Created by César Yagüe. 2023.

And when we're done,  
we start over,  
and if we do it right,  
we'll be closer to home this time.

### **Fin Y Principio**

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 02:00 - Seamlessly Cyclical  $\infty$  Silent.

I'm being born again and again.  
Every time I look at the light, I see  
more colours. Today I've already  
been reborn a thousand times,  
once with each blink. And when I  
open my eyes I get a little wiser, or  
maybe older, not sure.

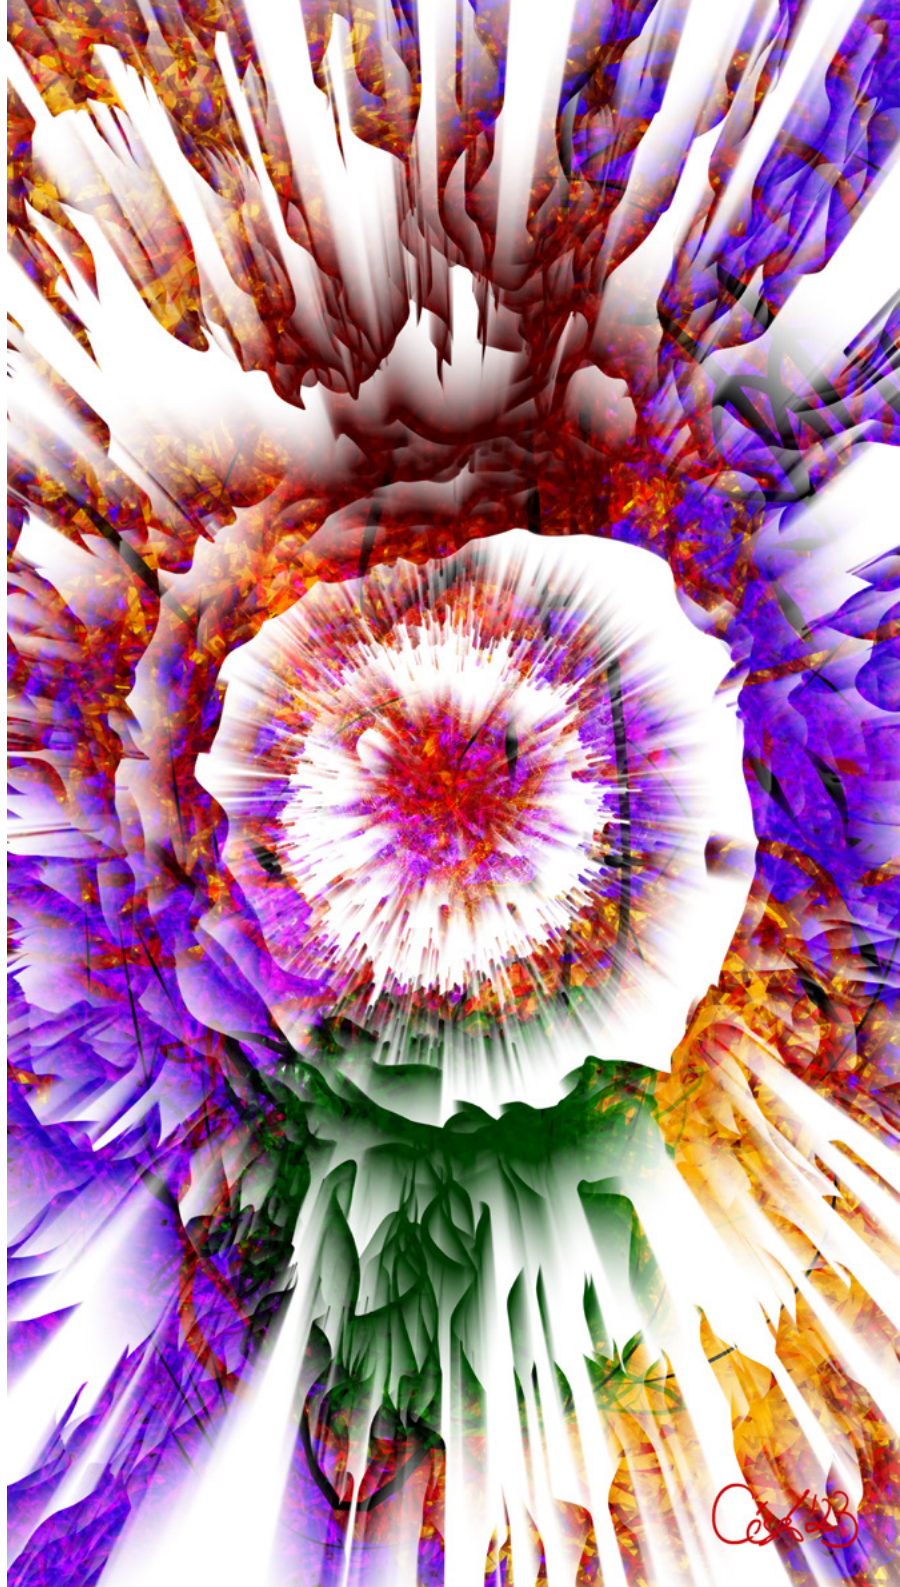

### Being Born

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) &  
Landscape (Alternative).

Duration: 00:55 - Seamlessly Cyclical  
∞ Silent.

Imagine being as innocent as a child before being perverted by beliefs,  
society and fear. We would be pure Love.

## Lost Innocence

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait.

Duration: 01:00 - Seamlessly Cyclical ∞ Silent.

Shush now.

### Quiet Mantra

I just want to be calm, contemplate the Beauty, listen to the Silence, close my eyes and feel the divine Love. I want to breathe the colours of nature, open my eyes and see your dance while rocking my soul. I just want you to be calm.

**César Darshan**

Resolution: 8K 4320 x 7680 px.

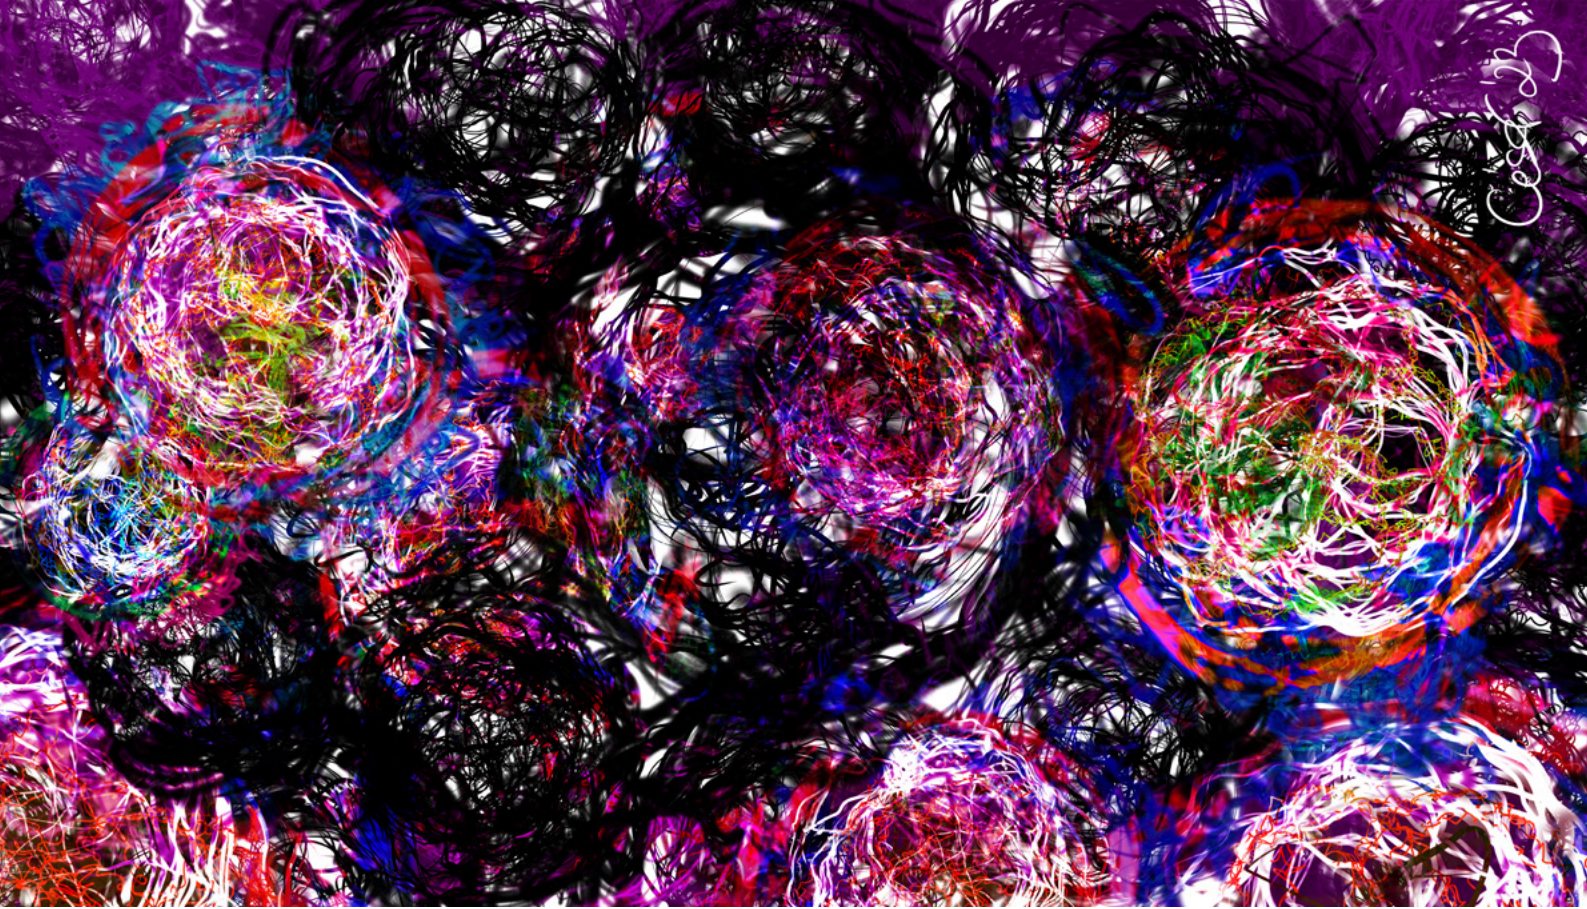

Orientation: Portrait (Original) & Landscape (Alternative).

'The magic boy lends his soul to the machine and constructs dialogues with us. He speaks to aspects of our being of which we are not even conscious. It is a reminder of the kind-hearted people we really are.' -**Saralamusa**-

## **Magic Boy**

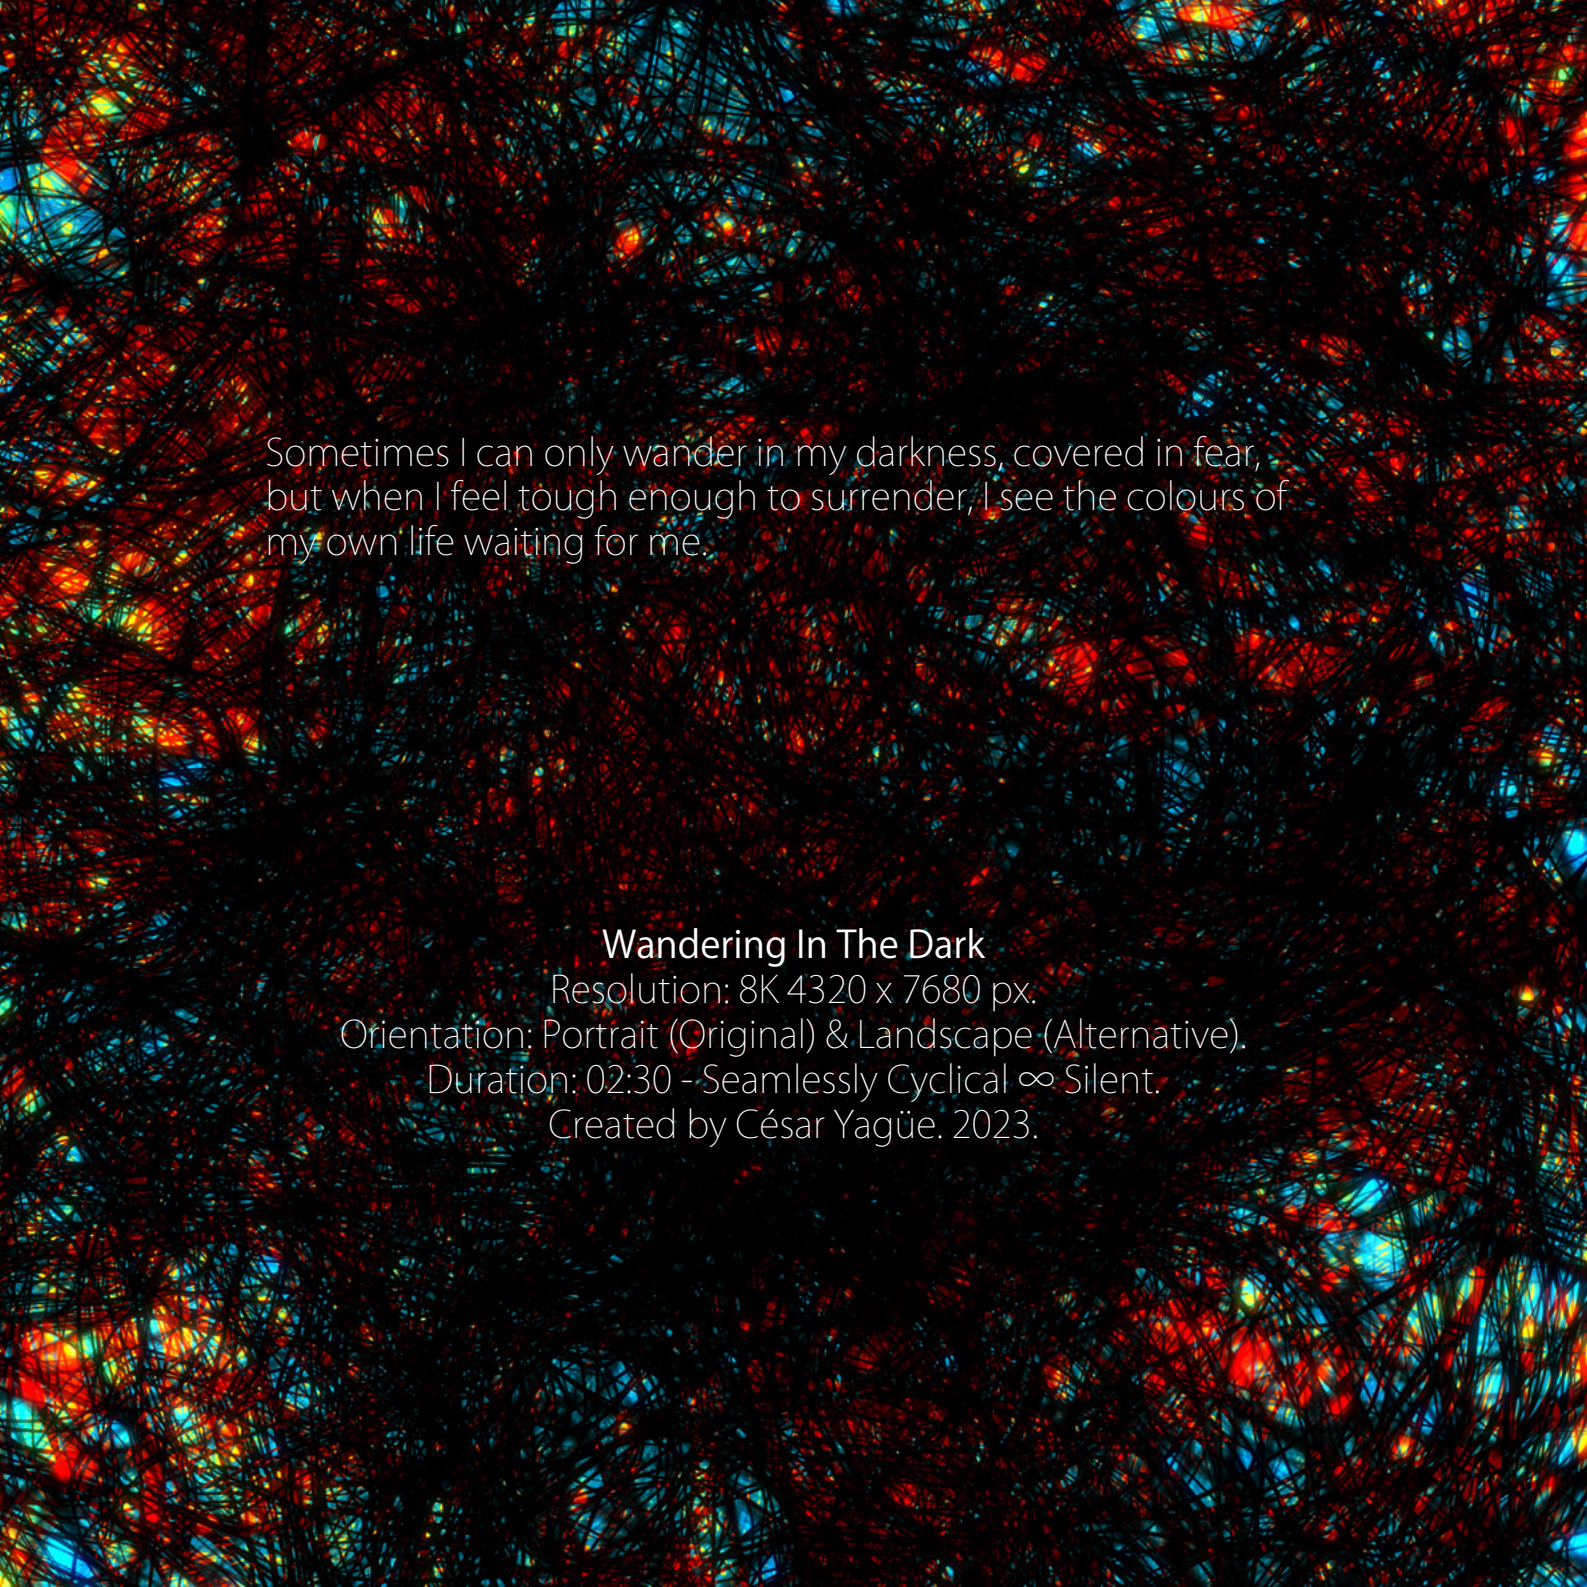

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 02:30 - Seamlessly Cyclical  $\infty$  Silent.

Sometimes I can only wander in my darkness, covered in fear,  
but when I feel tough enough to surrender, I see the colours of  
my own life waiting for me.

### Wandering In The Dark

Resolution: 8K 4320 x 7680 px.

Orientation: Portrait (Original) & Landscape (Alternative).

Duration: 02:30 - Seamlessly Cyclical  $\infty$  Silent.

Created by César Yagüe. 2023.

The background is a dense, chaotic pattern of thick, hand-drawn style lines in various colors including black, red, orange, yellow, green, blue, and purple. These lines swirl and overlap across the entire frame. In the center of the image, there is a bright white square that serves as a focal point, partially obscured by the swirling lines.

Today we're just being.

I like painting almost as much as sex. Each brush stroke that I paint is like a holy lick that runs up and down my body, over and over again, over and over again, every single day.

Good thing there is a wise eye that sees everything,  
but does not judge... Thank Goddess!

## Thanks to:

Saralamusa. Sara is unconditional love, complete inspiration, what my inner child and an adult like me need to be, just be. She is my home, wherever I go with her I feel at home. Together we have walked a path that has led us to this beautiful end and unknown beginning, to this Commonground.

To the thousands of strangers who daily contemplate the meditative art that we bring to people through Alexa. Just ask Alexa:

“Alexa, open Soothing Art”.

“Alexa, abre Arte Relajante”.

„Alexa, öffne Sanfte Kunst”.

To the art collectors who acquire my works of art and help me to continue creating and bringing Consciousness, Beauty and Silence to the world.

To the band U2, which gifts me visions, messages and melodies that inspire me and encourage me to experience the unknown.
